

Gryphon *Zephyr* Ring Saw

Instructions

Safety Considerations

- Always wear eye protection and use the snap-on face shield that is supplied with your saw •
 - Do not run blade dry- use plenty of water, but do not over-fill •
 - Keep fingers and clothing clear of moving parts •
 - Do not operate with side cover removed •
- When removing work surface, wipe water from surface first so that it cannot spill into the motor compartment •

Warranty:

Your new Gryphon Zephyr Ring Saw is warranted for three years from date of purchase. All mechanical parts with the exception of the blade, drive belt, drive wheels and wheel bearings are guaranteed against failure for three years. If such a failure occurs for any reason other than abuse or misuse during this period, it will be repaired (or at our option replaced) free of charge FOB our factory. Retain your sales receipt for proof of purchase. Should repairs ever be required, return the saw to:
